ARA

Dear Mr. Secretary:

Recently, Mr. Ragnas Hagelin brought to my attention the plight of his missing daughter, Miss Dagmar Ingrid Hagelin.

Mr. Hagelin, who with his family holds dual citizenship in Sweden as well as Argentina, expressed great concern for the safety of his daughter who was kidnapped in Buenos Aires in January 1977. Miss Hagelin, who appears to have no connection with any political activities, has remained one of the several thousand unaccounted for victims of the unrest taking place in that nation.

I have been informed that Miss Hagelin's name is included on the list of disappeared persons compiled by our Embassy in Buenos Aires. I urge you to look into this matter and request the Government of Argentina to actively pursue the facts of this case and provide an accounting of Miss Hagelin's whereabouts.

For your information, I have enclosed a copy of the background on this case as presented to me by Mr. Hagelin. Thank you for your assistance.
